ADMISSION REQUIREMENTS

Shelton State Community College is an open admission institution. All students who have earned a high school diploma or GED are eligible for admission to courses creditable toward an associate degree. Non-high school graduates may qualify for admission to courses not creditable toward an associate degree by demonstrating an Ability-to-Benefit prior to enrollment. For more information on Ability-to-Benefit, call 205.391.2662. Financial Aid cannot be used to pay for Ability-to-Benefit programs. All applicants are required to submit an application for admission which includes the student's signature and in-person presentation of a valid photo identification (I.D.). In addition to an application for admission, students are required to supply the College with official transcripts. Required documents are based on the student's admission status.

- **First-Time Freshmen** - The student must submit either an official transcript from the high school that must include the graduation date, official signature, and diploma type OR official GED scores mailed from the testing institution.
First-time Freshmen Application Deadline - Refer to the published academic calendar for the application deadline for first-time freshmen.
- **Transient** - The student must submit a transient letter from the home institution stating the courses that the student will be allowed to take. Transient letters must be submitted prior to registering for classes for each semester the student attends Shelton State. Transient students must provide documentation of satisfying pre-requisites prior to registration. Transient students are not eligible to receive financial aid.
- **Transfer** - The student must have official transcripts mailed from each institution previously attended. No faxed copies will be accepted. Transfer students must provide official documentation of satisfying pre-requisites prior to registration. All official transcripts must be on file before a student can receive financial aid funds.
- **College Graduate** - The student must submit an official transcript from the institution from which the degree was awarded.

First-time freshmen and transfer students may be conditionally admitted for one semester without the appropriate transcripts. However, students will not be allowed to register for courses without documentation of having met prerequisites or the appropriate COMPASS® score. Students must be prepared to provide documentation at the time of registration. Also, students who receive federal financial aid must have a complete admissions file. Alabama Occupational Diploma students, accelerated high school students, dually enrolled students, Ability-to-Benefit students, and non-accredited high school students may not be conditionally admitted and must register in the Office of Admissions & Records. Contact the Office of Admissions & Records (205.391.2214) for more information.

ATTENTION

- All new applicants must present a valid form of identification prior to acceptance for admission. Acceptable forms of I.D. are listed on the college Web site, www.sheltonstate.edu.
- All transient students must submit a transient letter prior to registering for classes. Transient students are not eligible to receive financial aid.

The STARS System allows students in Alabama to obtain a Transfer Guide/Agreement for the major at the selected public four-year institution. Print and keep this guide. If used correctly, it guides the student through the first two years of coursework and prevents loss of credit hours upon transfer to the appropriate public four-year institution in Alabama. Refer to the STARS Web site for more information.

DEGREEWORKS

DegreeWorks is the Degree Audit System for Shelton State Community College. DegreeWorks assists the advising process and greatly simplifies the preparation of student graduation audits. The DegreeWorks audit is an advising report that shows a student's progress toward their degree. After logging on, students can request a degree audit report through the SSB, student services menu, under Degree Audit, for the degree program(s) in which they are enrolled, or for degree programs in which they are interested. DegreeWorks takes the guess work out of selection courses for future enrollment.

OTHER IMPORTANT INFORMATION • MARTIN AND C.A. FREDD CAMPUSES

Shelton State Community College offers classes on two campuses: the Martin Campus and the C.A. Fredd Campus. These campuses are approximately seven miles apart. The campus location where the class meets is noted on the schedule as “Martin,” “Mart,” “C.A. Fredd,” or “Fredd.” Students should schedule classes to allow plenty of time to drive, park, and arrive on time. Students should not register for a class that meets immediately after a class on the other campus. For example, if the student’s first class meets from 8:00 until 10:00 a.m. on the Fredd Campus, the student should not register for a class that begins at 10:15 a.m. on the Martin Campus. For directions to the campuses, see the Web site or the back cover of the printed schedule.

GRADES

To obtain grades, visit www.sheltonstate.edu and log in to your MyShelton account. Students must enter the User I.D. and PIN for access. Students who forget the PIN may use the Forgot PIN option. Otherwise, students must present a picture I.D. in the Office of Admissions & Records to obtain or change PINs. PINs will not be released over the telephone or sent by e-mail. Grades are not mailed. It is the student’s responsibility to check grades at the end of each semester.

STANDARD COLLEGE POLICIES

The Standard College Policies apply to all classes at Shelton State Community College. These Policies have been summarized from the catalog and provide the student with general information that will assist in understanding the expectations regarding enrollment, grading, attendance, and student conduct. Students are expected to abide by these policies for every class in which they are enrolled at the College. The Standard College Policies are available on the College Web site, www.sheltonstate.edu.

TRANSFER OF COURSES

College advisors are available to help students complete class schedules. However, it is the responsibility of the student to satisfy all course prerequisites and to determine whether a course will be accepted at another institution. Students who plan to transfer to a public four-year institution in the state of Alabama should visit www.sheltonstate.edu and select the STARS link. The Statewide Transfer & Articulation Reporting System (STARS) is a Web-accessible database system that provides guidance and direction for prospective students who transfer to public institutions within the State of Alabama. The STARS System allows students in Alabama to obtain a Transfer Guide/Agreement for the major at the selected public four-year institution. Print and keep this guide. If used correctly, it guides the student through the first two years of coursework and prevents loss of credit hours upon transfer to the appropriate public four-year institution in Alabama.

PREREQUISITES

Before a student enrolls in a class, all prerequisites must be satisfied. If a student enrolls in a class for which the prerequisites are not fulfilled, the student may not receive credit for that class and may be administratively withdrawn.

CLASS CANCELLATIONS/ROOM CHANGES

Occasionally it is necessary that the College cancel a class or change a room. Students are required to verify class schedules with room numbers within the online student account. Notifications of class cancellations will be e-mailed to each student at the e-mail address assigned to the student by the College. Students affected by class cancellations should immediately register for other classes or come to the Martin or C.A. Fredd Campus for assistance.

WITHDRAWAL POLICY

Once classes begin for the respective term, students who wish to withdraw from a class or totally withdraw from school must officially withdraw on or before the date designated as the last day to withdraw for the semester. The last day to withdraw from any class is defined in the College's Academic Calendar. There will be NO withdrawals after this date. The student will receive a grade of "W" regardless of the student's average at the time of the withdrawal if the class does not qualify for a full refund when dropped; the grade of "W" will be recorded on the student's permanent record. Students who remain in the class after the last day to withdraw will receive the grade earned for the class. Withdrawal through MyShelton is available until midnight of the designated last day for withdrawals, and withdrawal in person is available in the Office of Admissions & Records until the close of business of the designated last day for withdrawals. No withdrawals will be taken over the telephone or by e-mail. An instructor's signature is not required. Failure to attend class does not constitute official withdrawal. If you are a financial aid student, it is important to speak with the financial aid office before you withdraw from classes. Your grant award can be reduced or cancelled if you do not complete your classes successfully. Students must come to the Office of Admissions and Records to totally withdraw from all classes.

5. **Get Books for Class:**
 - ❖ You may *charge* books to your financial aid account prior to the first day of class. Dates are posted before each semester.
 - ✓ You are responsible for any book charges greater than your final financial aid award.

 - ✓ If you withdraw or stop attending school before the 60% point of the semester you will owe a portion of your award back to the Department of Education or Shelton State.

DEFINITIONS

FEDERAL GRANT RECIPIENT - A student who receives one or more of the following: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), or Alabama Student Assistance Program (ASAP and ASAP Knight) is defined as a Federal Grant Recipient.

COMPLETE WITHDRAWAL - The Return of Title IV funds will be calculated based on an applicant's failure to complete at least 60 percent of the term. The calculation will be based on the last official or unofficial date of withdrawal from all classes.

SIXTY PERCENT (60%) OF ENROLLMENT PERIOD - Students who withdraw from school on or before these dates will owe a repayment. Students who withdraw after these dates may not owe a repayment.

REPAYMENT - The amount of repayment will be based upon a formula prescribed by law that considers the date of withdrawal and the amount of federal aid (excluding work study) received. Students who fail to repay the U.S. Department of Education will not be eligible to receive Federal Aid at Shelton State Community College or any other institution.

FINANCIAL AID CREDIT HOURS - All technical courses not associated with a degree plan (the program does not offer a degree) are subject to a clock hour conversion. This means that the credit hours may not be counted fully for financial aid purposes only. All information regarding a student's federal financial aid award (i.e., adjustments, courses in program, attendance, and disbursement dates of refunds) will be communicated to the student via e-mail. To activate Bucs Mail visit www.sheltonstate.edu.
